Announces Release of Mission Possible – *Spiritual Covering***

Orange Park, FL, United States, 07/15/09 - Author Tackles Delicate Subject in Marriage –

In **Mission Possible** (*Alabaster Box Publishing*) the author, Deborah McCarragher, candidly portrays her quest over time to reach her husband for Christ. This book is targeted primarily towards women and encourages a biblical solution to a situation that many call “hopeless.” “Deborah, has, in **Mission Possible**, expounded scriptures to encourage women to believe God with a “radical” faith for the salvation of their spouse. She helps women fulfill their role in the marriage for the salvation of their mate,” stated Pastor Scott Yirka, Hibernia Baptist Church in Green Cove Springs, Florida.

This paperback is a revised edition boasting new cover art and added material. **Mission Possible** is also available as an Audio Book on CD, as well as on Amazon.com in “Kindle” format. This inspirational book was first released in December 2007 as a trade paperback. Alabaster Box Publishing has also recently partnered with BCH Fulfillment & Distribution of Harrison, N.Y. to bring this work to retailers nationwide. Contact BCH Fulfillment & Distribution (Ingram/Spring Arbor) at (800) 431-1579 or www.bookch.com to order (ISBN: 978-0-615-30357-4).
